

I-1026

Product Specs

Product Size: 3.17cm x 1.27cm

Response Temperatures: 26.7°C/80°F

Accuracy: ±1°C

Format: Self-adhesive labels

Indicator Display/Type: Irreversible color change -white to red

Environmental: Non-hazardous materials

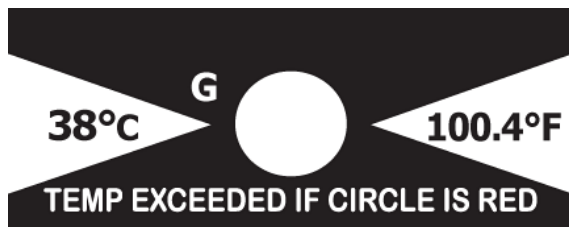

Activation: Self-activating

Storage: Dry storage

Shelf Life: Approx. 4 years

Shipping: 5,000 labels per pack, overnight shipping with ice required

I-1038

Product Specs

Product Size: 3.17cm x 1.27cm

Response Temperatures: 38°C/100.4°F

Accuracy: ±1°C

Format: Self-adhesive labels

Indicator Display/Type: Irreversible color change -white to red

Environmental: Non-hazardous materials

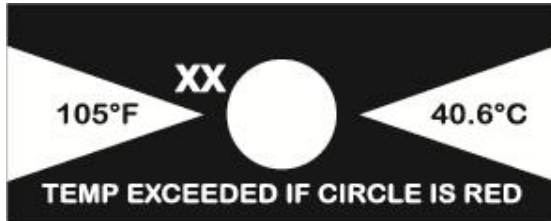

Activation: Self-activating

Storage: Dry storage

Shelf Life: Approx. 4 years

Shipping: 3,000 labels per pack, overnight shipping with ice required

I-1040

Product Specs

Product Size: 3.17cm x 1.27cm

Response Temperatures: 40.6°C/105°F

Accuracy: ±1°C

Format: Self-adhesive labels

Indicator Display/Type: Irreversible color change -white to red

Environmental: Non-hazardous materials

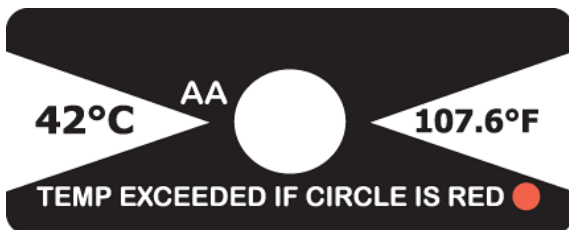

Activation: Self-activating

Storage: Dry storage

Shelf Life: Approx. 4 years

Shipping: 5,000 labels per pack, overnight shipping with ice required

I-1042

Product Specs

Product Size: 3.17cm x 1.27cm

Response Temperatures: 42°C/107.6°F

Accuracy: ±1°C

Format: Self-adhesive labels

Indicator Display/Type: Irreversible color change -white to red

Environmental: Non-hazardous materials

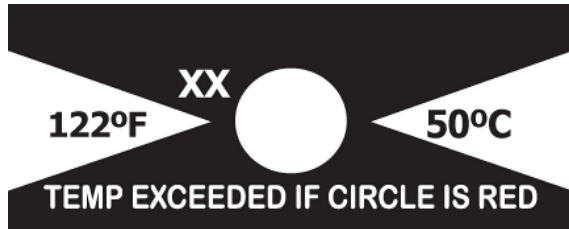

Activation: Self-activating

Storage: Dry storage

Shelf Life: Approx. 4 years

Shipping: 6,000 labels per roll, overnight shipping with ice required

I-1050

Product Specs

Product Size: 3.17cm x 1.27cm

Response Temperatures: 50°C

Accuracy: ±1°C

Format: Self-adhesive labels

Indicator Display/Type: Irreversible color change -white to red

Environmental: Non-hazardous materials

Activation: Self-activating

Storage: Dry storage

Shelf Life: Approx. 4 years

Shipping: 10,000 labels per roll, overnight shipping with ice required

I-1054B-CF

Product Specs

Product Size: 4.57cm x 1.52cm

Response Temperatures: 54°C

Accuracy: ±2°C

Format: Self-adhesive labels

Indicator Display/Type: Irreversible color change -white to red

Environmental: Non-hazardous materials

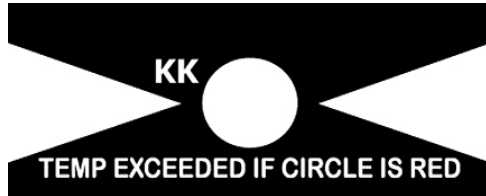

Activation: Self-activating

Storage: Dry storage

Shelf Life: Approx. 4 years

Shipping: Available on roll or sheet form

I-1060

Product Specs

Product Size: 3.17cm x 1.27cm

Response Temperatures: 60°C

Accuracy: ±1°C

Format: Self-adhesive labels

Indicator Display/Type: Irreversible color change -white to red

Environmental: Non-hazardous materials

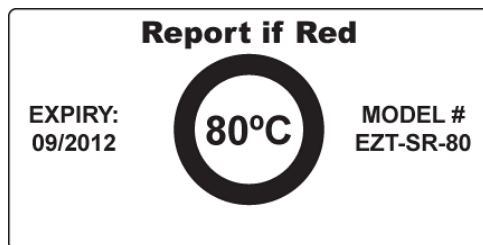

Activation: Self-activating

Storage: Dry storage

Shelf Life: Approx. 4 years

Shipping: 5,000 labels per pack, overnight shipping with ice required

I-1080

Product Specs

Product Size: 1in x 2in (2.54cm x 5.08cm)

Response Temperatures: 80°C

Accuracy: ±2°C

Format: Self-adhesive labels

Indicator Display/Type: Irreversible color change -white to red

Environmental: Non-hazardous materials

Activation: Self-activating

Storage: Dry storage

Shelf Life: Approx. 4 years

Shipping: 600 labels per pack, regular shipping

I-1260-TG

Product Specs

Product Size: 2.54cm in round

Response Temperatures: 126°C

Accuracy: ±2°C

Format: Self-adhesive labels

Indicator Display/Type: Irreversible color change -white to red

Environmental: Non-hazardous materials

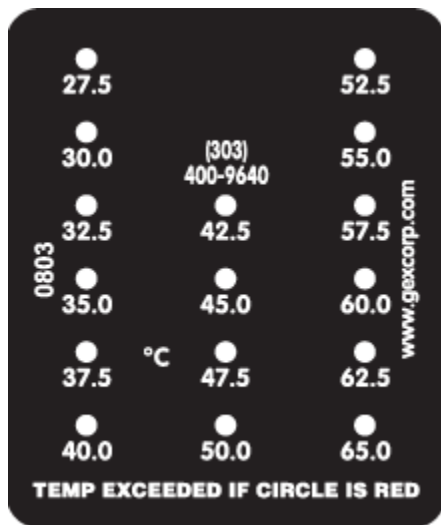

Activation: Self-activating

Storage: Dry storage

Shelf Life: Approx. 4 years

Shipping: 4,500 labels per pack, regular shipping

I-16027

Product Specs

Product Size: 4.95cm x 4.11cm

Response Temperatures: 27.5°C, 30°C, 32.5°C, 35°C, 37.5°C, 40°C, 42°C, 45°C, 47.5°C, 50°C, 52.5°C, 55°C, 57.5°C, 60°C, 62.5°C, 65°C

Accuracy: ±1°C

Format: Self-adhesive labels

Indicator Display/Type: Irreversible color change -white to red

Environmental: Non-hazardous materials

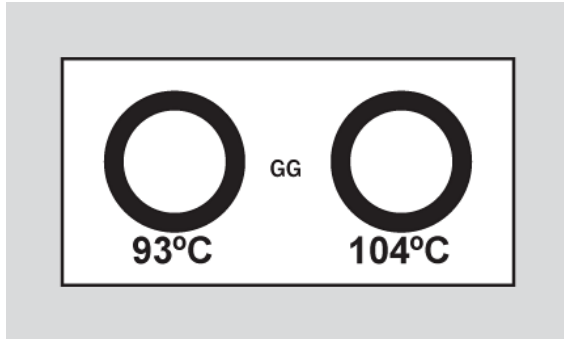

Activation: Self-activating

Storage: Dry storage

Shelf Life: Approx. 4 years

Shipping: 600 labels per pack, overnight shipping with ice required

I-2093

Product Specs

Product Size: 2.54cm x 5.08cm

Response Temperatures: 93°C, 104°C

Accuracy: ±2°C

Format: Self-adhesive labels

Indicator Display/Type: Irreversible color change -white to red

Environmental: Non-hazardous materials

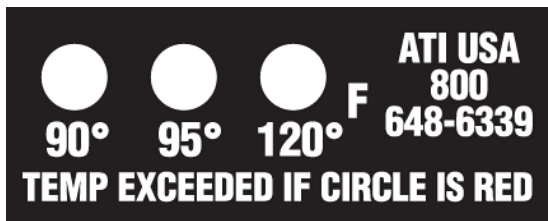

Activation: Self-activating

Storage: Dry storage

Shelf Life: Approx. 4 years

Shipping: 900 labels per pack, regular shipping

I-3090F

Product Specs

Product Size: 1.25in x 0.50in (3.17cm x 1.27cm)

Response Temperatures: 90°F, 95°F, 120°F

Accuracy: ±2°C

Format: Self-adhesive labels

Indicator Display/Type: Irreversible color change - white to red

Environmental: Non-hazardous materials

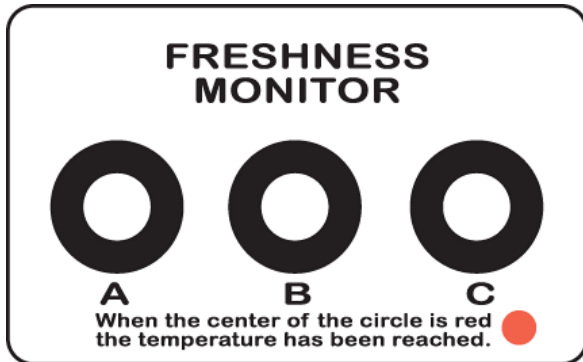

Activation: Self-activating

Storage: Dry storage

Shelf Life: Approx. 4 years

Shipping: Available on roll or sheet form

I-3095

Product Specs

Product Size: 3.32cm x 5.38cm

Response Temperatures: 95°F, 105°F, 120°F

Accuracy: ±2°C

Format: Self-adhesive labels

Indicator Display/Type: Irreversible color change -white to red

Environmental: Non-hazardous materials

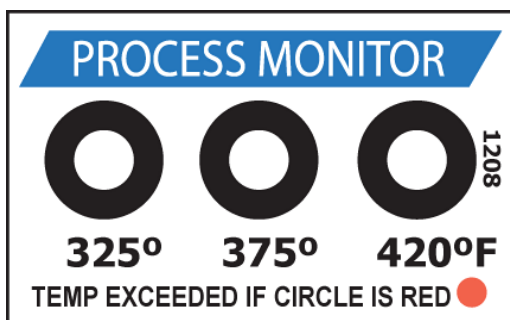

Activation: Self-activating

Storage: Dry storage

Shelf Life: Approx. 4 years

Shipping: 2,750 labels per pack, overnight shipping with ice required

I-3163

Product Specs

Product Size: 3.32cm x 5.38cm

Response Temperatures: 325°F, 375°F, 420°F

Accuracy: ±3°C

Format: Self-adhesive labels

Indicator Display/Type: Irreversible color change -white to red

Environmental: Non-hazardous materials

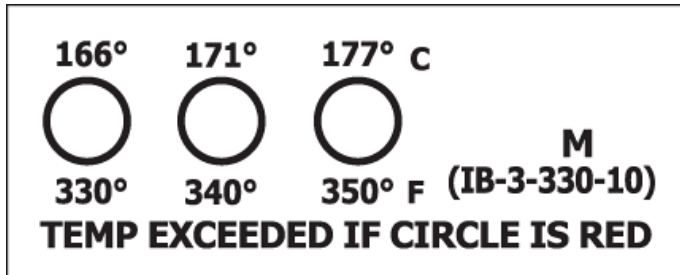

Activation: Self-activating

Storage: Dry storage

Shelf Life: Approx. 4 years

Shipping: 2,400 labels per pack, regular shipping

I-3166

Product Specs

Product Size: 3.17cm x 1.27cm

Response Temperatures: 165°C, 171°C, 176°C /330°F, 340°F, 350°F

Accuracy: ±2°C

Format: Self-adhesive labels

Indicator Display/Type: Irreversible color change -white to red

Environmental: Non-hazardous materials

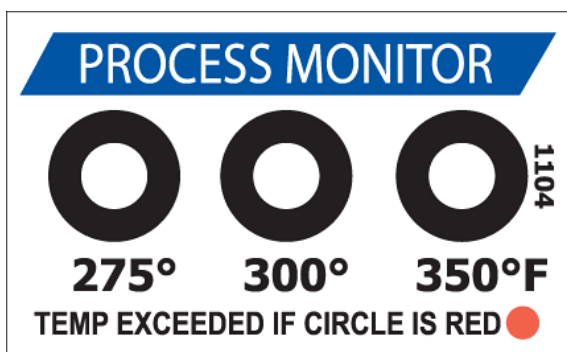

Activation: Self-activating

Storage: Dry storage

Shelf Life: Approx. 4 years

Shipping: Available on roll or sheet form

I-3275F

Product Specs

Product Size: 3.32cm x 5.38cm

Response Temperatures: 275°F, 300°F, 350°F

Accuracy: ±3°C

Format: Self-adhesive labels

Indicator Display/Type: Irreversible color change - white to red

Environmental: Non-hazardous materials

Activation: Self-activating

Storage: Dry storage

Shelf Life: Approx. 4 years

Shipping: 2,400 labels per pack, regular shipping

IM-1053-2D

Product Specs

Product Size: 0.952cm x 0.952cm

Response Temperatures: 53°C

Accuracy: ±2°C

Format: Self-adhesive labels

Indicator Display/Type: Customizable 2D barcode, irreversible color change -white to red

Environmental: Non-hazardous materials

Activation: Self-activating

Storage: Dry storage

Shelf Life: Approx. 4 years

Shipping: 1,000 labels per pack, overnight shipping with ice required

IM-1058-2D

Product Specs

Product Size: 0.952cm x 0.952cm

Response Temperatures: 58°C

Accuracy: ±2°C

Format: Self-adhesive labels

Indicator Display/Type: Customizable 2D barcode, irreversible color change -white to red

Environmental: Non-hazardous materials

Activation: Self-activating

Storage: Dry storage

Shelf Life: Approx. 4 years

Shipping: 5,000 labels per pack, overnight shipping with ice required
