WE LOVE TO HEAR FROM YOU

VERIGO POD PB

The Pod environmental data logger records and wirelessly transmits temperature data and excursion alerts to your smartphones and tablets; no cables or readers required! Simply download Verigo's app for Android™ or iOS™ to your smart device and start using your Pod.

Main Features	
USAGE TYPE	Multi-Use
BATTERY TYPE	Primary Lithium-ion
BATTERY LIFE	Shelf life 1.5 – 3 years
MEASUREMENT RANGE	-20°C to 60°C (-4°F to 140°F)
TEMPERATURE SCALE	°C / °F
TRANSMISSION RANGE	Up to 30meters
RESOLUTION	0.01°C / 0.018°F
DATA ACQUISITION	Visual using Mobile and/or Web App Email as CSV and/or PDF
ACTIVATION / SHUTDOWN	Activation Button Button Press or Using Mobile App: Immediate and Delayed Logging Shutdown data logging will stop when memory is full
LOGGING INTERVAL	1 min to 18 hours, user configurable
SAMPLING INTERVAL	30 seconds
POD OPERATING RANGE	-20°C to 60°C (-4°F to 140°F)
CASE	ABS
MEMORY	40.000 data points
SIZE	POD 97 x 43 x 13mm
WEIGHT	30 g
ACCURACY	Max +/- 0.5°C
